Falcon Meeting

Anna Milburn, Robert Werner, Gary Moore 10:06 AM

Hello everyone, are you available for a team meeting on Wednesday, October 6th after 12:30 pm? The purpose of the meeting is to update the team on the status of the Site. Recently, the PRPs notified us that they were financially unable to complete the RI/FS and removal action under the AOCs.

Gloria, please discuss the ongoing legal actions. Also, please call me at your earliest convenience, we need to retrieve all of the RI/FS data from Kleinfelder and we should discuss what mechanism we are going to use to get it.

Thanks.
